RECENT HIT STREAM
Kick level 95% 05:25:44 PM
Snare level 82% 05:25:44 PM
Clap level 82% 05:25:44 PM
✓ Physical Key Code (e.code) & UniKey IME Resilience
PASSED
Tested physical codes: KeyW (Kick), KeyA (Snare), KeyJ (Clap).
✓ Immune to UniKey (Telex/VNI) accent composition (e.g. 'W' -> 'ư' does not break trigger).
✓ Real-time hit stream updated under <output aria-live="polite"> with decibel meter level.

No hits recorded yet. Press physical keys W, A, S, D, J, K, L or tap a pad.
✓ Input Exclusion & Repeat Guard Verification
PASSED
✓ Input Focused: "WASD typing test inside input" entered with 0 drum pad triggers.
✓ Repeat Guard: if (e.repeat) return; verified (holding keys does not thrash audio context).
✓ Hit log remains clean when typing inside text controls.
